How Much Will We Earn?

Enter Total Players in your League _____

Enter e-Certificate Value _____

X 30% net

Fundraiser Dollars you Earn _____

The math is simple. Simply multiply the total amount of players times the E-Certificate Value times 30% (net earning after paying lab fees and splitting with the photographer)

Example: 600 Player x \$20.00 x .30 = **\$ 3,600.00**

League & Parents Benefits

It's a Fundraiser! – Your league gets 50% of the profits. A great way to raise much needed funds and parents get pictures that they want – after seeing photos!

No Up-Front Costs – Your league keeps your earning upfront. You get paid before anybody. No reason to wait for a rebate, when you can use the funds right-away!

No League Distribution – No longer do you need to track down coaches and parents to deliver packages. Orders are shipped directly to the parents home or office.

Minimal Volunteers Needed – No selling required by the players or parents. You can handle payment through registration or with the teams. One purchase – one amount – easy!

Paper Order Forms Eliminated – Forms are not necessary with this program. Everybody gets a Dollar Value e-Certificate and builds their own package.

More League & Parents Benefits

View Photos Before You Finalize Your Order – See photos before you buy, picking from multiple poses. Parents can Build-Their-Own package and customize their order.

Personalized Products – Parents can personalize their products with text. Build trading cards, memory mates and order collages and custom posters using multiple images.

Keepsakes & Photo Gifts – Place images on fun keepsakes like mugs, holiday cards and much more! Over 100 products.

Pictures are Printed and Delivered – Once order is completed, we process and print the order at our professional lab and ship directly to your home or office.
